Sandip Maskare

Python | AI-ML | Data Science | B.Tech UG - Artificial Intelligence & Data Science Student at Dr. Babasaheb Ambedkar Technological University

Gondia, Maharashtra, India

Summary

"Passionate about technology and its applications, I'm Sandip Maskare, a graduate from JD College of Engineering and Management, Nagpur. My expertise lies in Python programming, Machine Learning, Deep Learning, MySQL, and C. I'm dedicated to exploring the realms of data and transforming it into meaningful insights. With a strong foundation in these areas, I'm eager to contribute to innovative projects and collaborate with fellow professionals in the tech community. Let's connect and discuss how we can drive advancements together!"
